

Class 5 Newsletter

We are continuing our topic on 'Things which fly'. We will be looking at the story Peter Pan and we will also be learning about chicks and other life cycles. We will be watching some live hen eggs hatch in our classroom. We hope to have lots of chicks!

This Half Term Happy Birthday to

Lily-May Sid Lizzie-May

Reception children are invited to our trip to Preston Park on Thursday 25th May. We will be closed that day for Nursery children. We will arrange alternative sessions with affected families personally. Nursery children will visit Burnhill in July. More information will be sent out to parents later on in the term.

Please can I ask in the event of nice weather, parents apply sun cream to children before they arrive at school/nursery and send a cap and labelled bottle of sun cream into school to be reapplied at lunchtime if they are in school a full day.

Our children are enjoying our new extended classroom.

Please could we ask that after half term to help prepare Reception for their move to Year 1, that they no longer bring toys into school each morning. We will also reinforce this message to children in class. Many Thanks.
