The children were very interested in our work with RSPB and through their play have shown interest in aeroplanes and superheroes. Therefore, our topic will be 'Things which fly'. We will also learn about Easter at the end of term.

During our first week back, work will be linked to World Book Day. As part of this work to develop language, reading and imagination skills, we will be visited by a storyteller Chris Bostock on Tuesday 28 February. In addition, on Wednesday 1 March children may come to school dressed as their favourite story book character.
