

*April 2020*

*Dear All*

*I write this letter with a heavy heart and wish I could be sharing my thoughts in person with you all today!*

*I couldn't leave without thanking and sharing my appreciation for the support I have received in Tow Law. The school and the community have played such a large part in my life for nearly 20 years. It has been an amazing privilege to be part of watching your children grow and develop.*

*I will take with me such wonderful memories to treasure always. Your children are very special and I will miss them greatly.*

*My best wishes are to you all during these difficult times.*

*Take care,*

*Mrs Turner x*
