4<sup>th</sup> March 2021

Dear Parent/Carer

## School Meals from Week Commencing 8<sup>th</sup> March 2021

We will continue to offer one hot main meal per day for the remainder of this term, due to the covid-19 risk assessment and the social distancing of the children in their class bubbles. We will review after Easter in accordance with the Government Guidance on social distancing.

If your child opts out of the meal of the day, they should bring a packed lunch. Fresh fruit is provided daily to all children. We are awaiting the Summer Term Menu from our catering provider, Taylor Shaw, which will come into effect after the Easter Break. Please find below the menu for the next three weeks.
