

# ***BEST VALUE STATEMENT 2025***

The Governors of Tow Law Millennium Primary School are committed to achieving Best Value in all decisions made. We use the principles of Best Value as they apply to securing continuous improvement in this school, and will:

- regularly review the functions of the school, **challenging** how and why services are provided and setting targets and performance indicators for improvement;
- monitor outcomes and **compare** performance with similar schools and within the school;
- **consult** appropriate stakeholders before major decisions are made; and
- Promote fair **competition** through quotations and tenders to ensure that goods and services are secured in the most economic, efficient and effective way.

We will strive to ensure that the school is using its resources effectively to meet the needs of pupils.

We will submit our Best Value statement with the annual budget plan. The progress of the annual budget plan and the Best Value statement will be monitored with the School Improvement Plan in order to determine the extent of continuous improvement.

The school has in place a strategy and a set of guidelines, (update annually), which will ensure that Best Value will be reviewed and demonstrated. This year we will focus on the following:

- **Prioritising wellbeing of pupils** and continued focus on mental health.
- Creating a KS2 sensory area between class 1 & 2.
- **Continue to priorities Raising standards in reading through SSP programme (Systematic Synthetic Phonics Programme).**
- Improve attendance of targeted pupils – specifically **persistent absentees**.
- Further develop resourcing for all subjects in accordance with Long Term Plans.
